INSPIRING EXCELLENCE TO EMPOWER SUCCESS

Special Education Program	Creating programs for students with significant learning needs requires access to online programs, creating individualised work booklets and utilising many hands on materials to consolidate educational experiences. These resources are developed based on the individual needs of each student, and as such, costs can be quite high. Participation in the Resource Scheme covers these costs.	Used	\$ 500.00
Total			\$ 26,881.72
