Pacific Pines State High

ASSESSMENT POLICY

Scope

Pacific Pines State High's assessment policy provides information for teachers, students and parents/carers about roles, responsibilities, processes and procedures to ensure the integrity of assessment that contributes to the Junior Certificate of Education (years 7&8 - JCE), Senior Preparation Certificate of Education (years 9&10 - SPCE) and the Queensland Certificate of Education (year 11&12 - QCE) or Queensland Certificate of Individual Achievement (years 11&12 - QCIA). It takes considerations from the Australian Curriculum and Assessment and Reporting Authority (ACARA) with the framework for the policy developed from the QCE and QCIA policy and procedures handbook available from <https://www.qcaa.qld.edu.au/senior/certificates-and-qualifications/qce-qcia-handbook> and applies to Applied, Applied (Essential), General, General (Extension) subjects, Certificates and Short Courses across all faculties.

Purpose

Pacific Pines State High is committed to an educational philosophy that encourages all students to achieve personal excellence by developing their talents and abilities. This policy is designed to build capacity as students work towards assessment completion for the Junior Certificate of Education [JCE](#), Senior Preparation Certificate of Education [SPCE](#) and Queensland Certificate of Education [QCE](#) or Queensland Certificate of Individual Achievement [QCIA](#).

Principles

Pacific Pines State High's expectations for teaching, learning and assessment are grounded in the principles of academic integrity and excellence.

Assessment includes any examination, practical demonstration, performance or product that allows students to demonstrate the objectives as described by the syllabus/ACARA. Assessment should be:

- aligned with curriculum and pedagogy
- equitable for all students including approved adjustments (Access Arrangements and Reasonable Adjustments - [AARA Process](#))
- evidence-based, using established standards and continua to make defensible and comparable judgments about students' learning
- ongoing, with a range and balance of evidence compiled over time to reflect the depth and breadth of students' learning
- transparent, to enhance professional and public confidence in the processes used, the information obtained and the decisions made
- in of where students are in their learning.
- high-quality assessment is characterised by three attributes:
 - validity, through alignment with what is taught, learnt and assessed
 - accessibility, so that each student is given opportunities to demonstrate what they know and can do
 - reliability, so that assessment results are consistent, dependable or repeatable.

Promoting Academic Integrity

Pacific Pines State High promotes academic integrity by developing students' skills and modelling appropriate academic practices. The following whole-school procedures support this endeavour.

<p>QCE and QCIA policy and procedures handbook</p>	<p>Policy and procedures</p>
<p>Location and communication of policy</p>	<p>The school assessment policy is located on the school website at PPSH Website . All questions regarding this policy should be directed to Directors of Junior (years 7-8), Senior Preparation (years 9-10) or Senior School (years 11-12).</p> <p>To ensure the assessment policy is consistently applied, it will be revisited at the beginning of each semester in subject classes. Relevant processes will be revisited:</p> <ul style="list-style-type: none"> • at enrolment interviews • during SSP (Student Success Partnerships) parent/guardian meeting years 7, 8, 9, 11 and year 10 SET Plan parent/guardian review meeting (Senior Education and Training Plan SET) • when the assessment schedule is published • when each task is handed to students • in the newsletter, internet and by email in response to phases of the assessment cycle.
<p>Expectations about engaging in learning and assessment Section 1 Section 2 Section 8</p>	<p>Pacific Pines State High has high expectations for academic integrity and student participation and engagement in learning and assessment. Students become eligible for a JCE, SPCE or QCE when they have accrued the set amount of learning, at the set standard, in a set pattern, while meeting literacy and numeracy requirements. Students are required to complete all course and assessment requirements on or before the due date for their results to contribute credit to the JCE, SPCE or QCE.</p> <p>Student responsibility for all year levels</p> <p>Students are expected to:</p> <ul style="list-style-type: none"> • engage in the learning for the subject, certificate or course of study • produce evidence of achievement that is authenticated as their own work • submit responses to scheduled assessment on or before the due date <p>To emphasise the importance of sound academic practices for senior school, staff and students are encouraged to complete the QCAA academic integrity course.</p>
<p>Due dates Section 8 Section 6</p>	<p>School responsibility</p> <p>Pacific Pines State High is required to adhere to QCAA (Queensland Curriculum and Assessment Authority) policies for gathering evidence of student achievement on or before the due date.</p> <p>Due dates for final responses, checkpoints and drafts will be published in the assessment schedule, which will be published on Daymap for each subject.</p> <p>The assessment schedule will:</p> <ul style="list-style-type: none"> • align with syllabus/ACARA requirements • provide sufficient working time for students to complete the task • allow for internal quality assurance processes • be clear to teachers, students and parents/carers • be consistently applied • be clearly communicated by the end of Week 3 each semester/Unit • enable timelines for QCAA quality assurance processes to be met for senior subjects

	<p>Student responsibility for all year levels Students are responsible for:</p> <ul style="list-style-type: none"> • checking assessment schedule and class work on Daymap • recording due dates in their calendars • planning and managing their time to meet the due dates • informing their teacher/HOD as soon as possible if they have concerns about assessment load and meeting due dates. • Apply for an AARA, before the due date, if required (AARA applications) <p>Applying for an extension for drafts: In cases where students are unable to meet a draft due date, they will:</p> <ul style="list-style-type: none"> • inform the classroom teacher as soon as possible • apply for an AARA • provide the school with relevant documentation, e.g. AARA application • adhere to alternative arrangements for submission of assessment if AARA is approved <p>Applying for an extension for final assessment: In case where students are unable to meet a final due date, they will:</p> <ul style="list-style-type: none"> • inform the classroom teacher as soon as possible • apply for an AARA • provide the school with relevant documentation according to QCAA, e.g. medical certificate • adhere to alternative arrangements for submission of assessment if AARA is approved <p>Refer to AARA (Access Arrangements and Reasonable Adjustments) information if required.</p>
<p>Submitting, collecting and storing assessment information Section 9</p>	<p>Assessment instruments will provide information about Pacific Pines State High's arrangements for submission of draft and final responses, including due dates, conditions and file types.</p> <p>All assessment evidence, including draft responses, will be submitted by their due date, by 11.59pm via Daymap - unless advised otherwise by the Curriculum Head of Department.</p> <p>For years 11&12, draft and final responses for all internal assessment will be collected and stored in each student's folio. Live performance assessments will be recorded and stored as required for QCAA processes. All evidence used for making judgments is compliant with QCAA processes.</p>
<p>Appropriate materials Section 8.2</p>	<p>Pacific Pines State High is a supportive and inclusive school. Material and texts are chosen with care in this context by students and staff.</p>

Ensuring Academic Integrity

Pacific Pines State High has procedures to ensure that there is consistent application of the assessment policy and that staff and students optimise opportunities to understand academic integrity. The following procedures are to be applied in this context.

Internal assessment administration

<p>QCE and QCIA policy and procedures handbook</p>	<p>Policy and procedures</p>
<p>Scaffolding Section 8.2</p>	<p>Scaffolding for assessment helps students understand the process for completing the task. Scaffolding will:</p> <ul style="list-style-type: none"> • maintain the integrity of the requirements of the task or assessment instrument • allow for unique student responses and not lead to a predetermined response. <p>Across the phases of learning, students will gradually be given more responsibility for understanding the processes required to complete their tasks.</p>
<p>Checkpoints</p>	<p>If students are required to meet checkpoints as part of the assessment task, this will:</p> <ul style="list-style-type: none"> • be detailed on student task sheets • monitor student progress • be used to establish student authorship. <p>Students will work on assessment during designated times and show evidence of progress at scheduled checkpoint submissions (including practical and certificate subjects). Teachers will use these checkpoints to identify and support students to complete their assessment.</p>
<p>Drafting Section 8.2</p>	<p>Drafting is a key checkpoint. Types of drafts differ depending on subject, e.g. written draft, rehearsal of a performance piece, or a product in development. Drafts might be used as evidence of student achievement in the case of illness or misadventure, or non-submission for other reasons.</p> <p>Submission of a draft:</p> <ul style="list-style-type: none"> • to receive written feedback from the teacher, the final reasonable draft must be submitted via Daymap or hard copy where applicable by 11.59pm Wednesday of the due week. • year 7 to 9 students will receive a detention for failing to submit a reasonable draft. Year 10 to 12 students will be referred to the Assessment Support Room. <p>Feedback on a draft is:</p> <ul style="list-style-type: none"> • provided on a maximum of one draft for each student's response • a consultative process that indicates aspects of the response to be improved or further developed • delivered in a consistent manner and format for all students • provided within 5 school days of a submission of a draft • provide verbal feedback only for unapproved late submissions <p>Feedback on a draft must not:</p> <ul style="list-style-type: none"> • compromise the authenticity of a student response • introduce new ideas, language or research to improve the quality and integrity of the student work • edit or correct spelling, grammar, punctuation and calculations • allocate a mark <p>Parents and caregivers will be notified by email about non-submission of drafts and the processes to be followed. Teachers will complete a minor incident (including contacts) on OneSchool and refer to Curriculum & Student Success HOD.</p>

<p>Final</p>	<p>The final submission is used to determine the overall level of achievement for the unit/semester of work being studied within the designated reporting period. This result is also used to calculate the completion and achievement of the JCE, SPCE or QCE.</p> <p>Submission of a final:</p> <ul style="list-style-type: none"> • The final submission must be submitted via Daymap or hard copy where applicable by 11.59pm Friday of the due week – unless otherwise determined by the Curriculum HOD. • Students will follow the AARA process if an extension is required. • Students will be graded on their draft if the final is not submitted by the due date and time. • Final results will be published by the teacher via Daymap within 10 school days after marking and moderation has occurred. <p>Parents and caregivers of senior phase students will be notified for non-submission of a final as this denotes failing to follow the program of instruction. Teachers will complete a major incident (including contacting home) on OneSchool and refer to Curriculum & Student Success HOD.</p>
<p>Managing response length Section 8.2</p>	<p>Students must adhere to assessment response lengths as specified by syllabus/ACARA documents. The procedures below support students to manage their response length.</p> <ul style="list-style-type: none"> • All assessment instruments indicate the required length of the response. • Teaching and learning programs embed subject-specific strategies about responding purposefully within the prescribed conditions of the task. • Model responses within the required length are available. • Feedback about length is provided by teachers at checkpoints. <p>After all these strategies have been implemented, if the student’s response exceeds the word length required by the syllabus/ACARA, the school will:</p> <ul style="list-style-type: none"> • mark only the work up to the required length, excluding evidence over the prescribed limit. • for year 12 students, student work submitted for confirmation purposes will be annotated to clearly indicate the evidence used to determine a mark.
<p>Authenticating student responses Section 8.2.8</p>	<p>Accurate judgments of student achievement can only be made on student assessment responses that are authenticated as their own work.</p> <p>Pacific Pines State High uses the authentication strategies promoted by the QCAA. The authentication strategies will be specified on assessment instruments.</p> <p>In cases where a student response is not authenticated as a student’s own work, procedures for managing alleged academic misconduct will be followed.</p>
<p>Reporting</p>	<p>The level of achievement which contributes to students achieving their JCE, SPCE or QCE is determined at each of the mandated reporting periods:</p> <p>Reporting cycles:</p> <ul style="list-style-type: none"> • Years 7 – 10 students will receive a level of achievement report after each term (interim terms 1 & 3) and semester (term 2 & 4). • Year 11 students will receive a level of achievement report after each 15 week Unit (end of unit 1 - term 2 week 5 & end of unit 2 – term 3 week 10). • Year 12 students will receive a level of achievement report after Unit 3 (term 2 week 5). Year 12 students will receive their final QCAA Senior Education Profile report, which is available in their QCAA Learning Accounts, in mid-December of their graduating year. The SEP includes their Senior Statement and QCE/QCIA Certificate (if all academic requirements for the QCE/QCIA are achieved).

<p>Access arrangements and reasonable adjustments, including illness and misadventure (AARA) Section 6</p>	<p>Applications for AARA for final assessments and/or exams</p> <p>Pacific Pines State High is committed to reducing barriers to success for all students. AARA are actions taken by the school to minimise, as much as possible, barriers for a student whose disability, impairment, medical condition or other circumstances may affect their ability to read, respond to or participate in assessment.</p> <p>Pacific Pines State High follows the processes as outlined in the <i>QCE and QCIA policy and procedures handbook</i> available from www.qcaa.qld.edu.au/senior/certificates-and-qualifications/qce-qcia-handbook-2019.</p> <p>The school's Inclusion Team manages all AARA approvals for students.</p> <p>All AARA applications must be accompanied by the relevant supporting documentation (outlined in https://www.qcaa.qld.edu.au/senior/certificates-and-qualifications/qce-qcia-handbook-2019/6-aara the school's AARA process page 14) and for senior students, made as far in advance as possible to meet the QCAA published timelines Section 6 . All evidence used to make decisions is recorded in the student's file.</p>
<p>Managing non-submission of assessment by the due date or absent for an exam Section 8</p>	<p>Teachers make judgments based on evidence of student work provided by the student for the purposes of authentication during the assessment preparation period.</p> <p>Teachers will collect progressive evidence of student responses to assessment instruments at the prescribed checkpoints and draft. The checkpoints on the instrument specific task sheets provide details of the evidence that will be collected. Junior students will receive a detention and senior students will be referred to the Assessment Support Room if drafts are not at a reasonable standard.</p> <p>In circumstances where students are enrolled in a subject but do not submit a final response to an assessment (other than unseen examinations), work submitted at checkpoints or the draft will be used to make judgements on the final level of achievement. (Senior students - If all checkpoints have been met, 'Not-Rated' (NR) cannot be entered in the Student Management system by the date published in the SEP calendar. A judgement must be made on the checkpoints or draft submitted by the student)</p> <p>In circumstances however where a student response is judged as NR, the student will not meet the requirements for that subject.</p> <p>The most likely outcome for failing to submit a final response by the due date for senior students is the next stage of cancellation of enrolment for failing to follow the program of instruction.</p> <p>Absent for an exam (unforeseen illness and misadventure)</p> <p>If a student is absent on the day of an exam, students and parents/carers must apply for an AARA by emailing 1745_aara@eq.edu.au follow the AARA process including submitting the relevant supporting documentation e.g. medical certificate. Year 12 students will complete a comparable assessment (Section 7.4) as arranged by the Curriculum HOD (QCAA AARA information).</p>
<p>Internal quality assurance processes Section 9</p>	<p>Pacific Pines State High's quality management system ensures valid, accessible and reliable assessment of student achievement. This includes:</p> <ul style="list-style-type: none"> • quality assurance of all assessment instruments before they are administered to students using quality assurance tools provided by the QCAA • quality assurance of judgments about student achievement (moderation) <p>For senior students, all marks for internal assessment for General and General (Extension) subjects are provisional until they are confirmed by the QCAA.</p> <p>Results for Applied and Applied (Essential) subjects and Short Courses may be subject to advice from the QCAA.</p>

Review Section 9	Pacific Pines State High's internal review processes for student results (including NR) for all General subjects, Applied subjects, and Short Courses is equitable and appropriate for the local context.

Managing academic misconduct: whole-school approach

Pacific Pines State High is committed to supporting students to complete assessment and to submit work that is their own, and minimising opportunities for academic misconduct. There may be a situation when a student inappropriately and falsely demonstrates their learning. Consequences will be applied according to the school's responsible behaviour policy. The following are some examples of academic misconduct with the procedures for managing them:

	Types of misconduct	Procedures for managing academic misconduct
Cheating while under supervised conditions Section 8.1.2	A student: <ul style="list-style-type: none"> begins to write during perusal time or continues to write after the instruction to stop writing is given uses unauthorised equipment or materials has any notation written on the body, clothing or any object brought into an assessment room communicates with any person other than a supervisor during an examination, e.g. through speaking, signing, electronic device or other means such as passing notes, making gestures or sharing equipment with another student.	For authorship issues When authorship of student work cannot be established or a response is not entirely a student's own work the school will provide an opportunity for the student to demonstrate that the submitted response is their own work. For all instances of academic misconduct Results will be awarded using any evidence from the preparation of the response that is available that is verifiably the student's own work and that was gathered in the conditions specified by the syllabus/ACARA, on or before the due date.

Collusion	<p>When:</p> <ul style="list-style-type: none"> • more than one student works to produce a response and that response is submitted as individual work by one or multiple students • a student assists another student to commit an act of academic misconduct • a student gives or receives a response to an assessment.
Contract cheating	<p>A student:</p> <ul style="list-style-type: none"> • pays for a person or a service to complete a response to an assessment • sells or trades a response to an assessment.
Copying work	<p>A student:</p> <ul style="list-style-type: none"> • deliberately or knowingly makes it possible for another student to copy responses • looks at another student's work during an exam • copies another student's work during an exam.
Disclosing or receiving information about an assessment	<p>A student:</p> <ul style="list-style-type: none"> • gives or accesses unauthorised information that compromises the integrity of the assessment, such as stimulus or suggested answers/responses, prior to completing a response to an assessment • makes any attempt to give or receive access to secure assessment materials.
Fabricating	<p>A student:</p> <ul style="list-style-type: none"> • invents or exaggerates data • lists incorrect or fictitious references.
Impersonation	<p>A student:</p> <ul style="list-style-type: none"> - arranges for another person to complete a response to an assessment in their place, e.g. impersonating the student in a performance or supervised assessment. <p>completes a response to an assessment in place of another student.</p>
Misconduct during an examination	<p>A student distracts and/or disrupts others in an assessment room.</p>

For instances of academic misconduct during examinations

Students will be awarded a Not-Rated (NR). See the *QCE and QCIA policy and procedures handbook* (Section 8). Where appropriate, the school's behaviour management policy will be implemented.

Refer to the school's Code Of conduct for the most likely outcome for consequences of managing academic misconduct.

	Types of misconduct	Procedures for managing academic misconduct
Plagiarism or lack of referencing	- A student completely or partially copies or alters another person's work without attribution (another person's work may include text, audio or audio-visual material, figures, tables, design, images, information or ideas).	
Selfplagiarism	A student duplicates work, or part of work already submitted as a response to an assessment instrument in the same or any other subject.	
Significant contribution of help	A student arranges for, or allows, a tutor, parent/carer or any person in a supporting role to complete or contribute significantly to the response.

Junior Certificate of Education (JCE)

The Junior Certificate of Education is a school based junior schooling qualification awarded to eligible students at the end of year 8 on successful completion of the junior phase of learning.

At Pacific Pines State High, the JCE has been strategically designed to:

- Track student progress and engagement in their learning
- Provide targeted support and intervention for students to achieve, at a minimum, satisfactory academic achievement
- Enable students to engage in their own academic learning to prepare them for the next phase of secondary education and their readiness for future educational pathways - ATAR, Applied or Work Ready

How the JCE Works

For a student to be awarded a JCE, they will need to achieve a significant amount of learning, at a set standard – including being literate and numerate. This requires achieving a 'C' standard (bronze level), 'B' standard (silver level) or an 'A' standard (gold level), in multiple core/mandated and elective subjects across four semesters in years 7 and 8.

Students will achieve 1 credit for each semester they achieve a 'C' standard or higher across years 7 and 8. To be awarded a Junior Certificate of Education (JCE) at Pacific Pines State High, students must:

- Achieve a minimum 20 credits, out of the available 24 credits, by the end of year 8.
- Achieve a 'C' standard or better in English and Math for a minimum of 1 semester each across years 7 and 8

Students who are on an Individual Curriculum Plan for a subject are eligible to gain a credit point if they achieve a minimum 'C' standard in that subject at the stated ICP level.

Appendix 2

Senior Preparation Certificate of Education (SPCE)

The Senior Preparation Certificate of Education is a school based senior preparation schooling qualification awarded to eligible students at the end of year 10 on successful completion of the senior preparation phase of learning.

At Pacific Pines State High, the SPCE has been strategically designed to:

- Track student progress and engagement in their learning.
- Provide targeted support and intervention for students to achieve, at a minimum, satisfactory academic achievement.
- Enable students to engage in their own academic learning to prepare them for their senior phase of learning.
- Prepare students for their future educational pathways (ATAR, Applied or Work Ready) including:
 - ✓ the academic rigour, assessment conditions and educational requirements for the successful completion of senior school.
 - ✓ the requirements for QCE /QCIA attainment by the end of year 12.

How the SPCE Works

For a student to be awarded a SPCE, they will need to achieve a significant amount of learning, at a set standard – including being literate and numerate. This requires achieving a 'C' standard (bronze level), 'B' standard (silver level) or an 'A' standard (gold level), in multiple of core/mandated and elective subjects across four semesters in years 9 and 10.

Students will achieve 1 credit for each semester they achieve a 'C' standard or higher across years 9 and 10. To be awarded a Senior Preparation Certificate of Education (SPCE) at Pacific Pines State High, students must:

- Achieve a minimum 20 credits, out of the available 24 credits, by the end of year 10.
- Achieve a 'C' standard or better in English and Math for a minimum of 1 semester each across years 9 and 10.

Students who are on an Individual Curriculum Plan for a subject are eligible to gain a credit point if they achieve a minimum 'C' standard in that subject at the stated ICP level.

Appendix 3 – AARA Process

Pacific Pines State High is committed to reducing barriers to success for all students including the recognition that some students require adjustments for assessment and exams. AARA (Access Arrangements and Reasonable Adjustments) are actions taken by the school to minimise, as much as possible, barriers for a student whose disability, impairment, medical condition or other circumstances may affect their ability to read, respond to or participate in assessment.
